

**Title for 3<sup>rd</sup> International CIRP HPC conference  
paper, 18 pts bold,  
Times New Roman, centered between margins**

*Name of authors, Times New Roman 12 pts. bold italic*  
*Full address of corresponding author,*  
*Times New Roman 12 pts. italic, centred between margins*  
*Include@e.mail.address*

**Abstract:** The font of the abstract is Times New Roman, 12 pts. normal, justified. The space above the abstract is 42 pts., or three empty lines. The space below the abstract is 28 pts., or two empty lines. The length of the abstract is about 100 - 150 words.

**Keywords:** include up to 5 keywords, separated by commas

1. SECTION TITLE, TIMES NEW ROMAN, 12 PTS. NORMAL, CAPITAL

Sections of the publication are numbered. Indent from left: 8 mm. There are two empty lines (28 pts.) above the section title, and one empty line (14 pts.) below the section title.

**1.1. Sub section title, Times New Roman, 12 pts. bold**

The sub sections are numbered as shown above. Indent from left: 16 mm. There is no additional space between the sub section title and the following text.

2. NORMAL TEXT

The default font for normal text is Times New Roman. The font size is 12 pts. The text is justified between the margins, and for the vertical justification, single line spacing is used. Paragraphs within sections are indented by 8 mm., as shown below.

In the text, references can be used. Full descriptions of the references are collected under the section title "references" at the end of the publication. In the text, the name of the author and the year of publication is used, as in [Author *et al.*, 1999].

3. MARGINS

Based on A4 page size (29.7 x 21 cm), the top and bottom margins are both 41 mm. The left margin is 30 mm. and the right margin is 30 mm. as well. Less important than the

exact size of the margins are the width and height of the text column. This width should be exactly 150 mm and the height exactly 215 mm.

#### 4. LENGTH OF PUBLICATION AND PUBLICATION LAYOUT

The length of the publication is limited to 8-10 pages. Please try to arrive at an even number of pages. Only one side of the paper should be printed on.

In the book, each publication will start on a right hand side page. Authors may take this information into account in realising the layout of the publication, especially with respect to the location of the figures and the citing of them in the text.

##### **1.2. Page numbering**

Please DO NOT number the pages of the publication in your file. This will be done by the editors.

#### 5. FIGURES AND TABLES

The figures and tables are presented in the text. They are numbered sequentially as Figure 1, Figure 2 (Table I, Table II) etc. The captions are given below the figures as shown in figure 1. Please make sure that all drawings and especially photographs are of good quality. Photocopies of photographs are generally unusable.

*Figure 1; Caption of a figure, in Times New Roman, 12 pts, italic.  
These captions are centred between the margins.*

#### 6. SUBMITTAL OF PUBLICATIONS

A publication can be sent to the organising committee only by uploading a file electronically through eLANE, either as a PDF-file or as a Microsoft WORD-file. Please notice that the organizing committee expects the file (paper) to be complete. In other words, the committee takes no responsibility for completing the publication by inserting tables, photographs etc.
